CORONATION CEREMONIES

Interesting Details of How Edward Will be Crowned.

SEATS ARE NOT SO HIGH

As Speculators Would Have Americans Believe.

IN THE COUNTRY TOWNS

Dinners Will be Given to the Poor by the Nobility.

London, April 26.-Permanent residents of London are suffering from the efforts being made by the city for the corona There is scarcely a street through which the procession will pass but has

The newspapers, both here and in Amer. ice, are full of misstatements concerning the cost of scale to view the coronalion processions and as to what the hotels will not, hewever, deal in matters involv will charge visitors. Speculators and ing the management of its own affairs those having seats to sell are giving the impression that there is a tremendous demand on the part of rich Americans the right of every person to belong, or to said other foreigners, who are said to be paying any price asked in order to see the show. Indiculous abstements as to connection with such an union the prices paid for certain windows or pany agrees to pay a flat rate of 25 cents sents on Picadilly or elsewhere have been an hour or 234; cents an hour together constantly published. To get accurate with a bonus for long service as the eminformation on these points a representa- ployes may elect. A rate of 30 cents per tive of the associated press made a care-ful canvas, inquiring at various points along the route. He assortained that scats in the best positions in Pleadity, the most sought-after situations, could when off duty. Traffic will be resumed yesterday be had for from eight to twen-ty guineas, according to the row. This was for the first day's procession. For the second day the prices maked were Bent Their English Cousins at Chess from three to seven guineas. In Pall in London. where the buildings are mostly the prices are nightly higher. For the Fiver the best seats cost from five to four games, lost one and drawn one, four games, lost one and drawn one, seven guineas. The hotel question, however is less encouraging for the intending visitors. The managers of the Cecil, have the satisfaction of getting back the
